I'm self-learner and able to learn new technologies quickly.I'm machine learning enthusiast and aspired to be an ML engineer

EDUCATION

B.Tech in Computer Science and Engineering
Siddharth Institute of Engineering & Technology
07/2017 - Present   *puttur,Andhra Pradesh,(CGPA:8.7)*

Class XII
Narayana Srichaitanya Junior college
06/2016 - 05/2017   *Tirupati,(Marks %:95.8)*

Class X
Matrusri Techno School
06/2014 - 05/2015   *Tirupati,(CGPA:9.3)*

WORK EXPERIENCE

Summer Intern
Bennet University
05/2020 - 06/2020   *Greater Noida,India*

Achievements/Tasks
- Virtual Internship on Deep Learning and Artificial Intelligence.
- Worked on "Voice based voice search". Efficient model on returning to word searched using voice search .
- Great experience working as team in a project

SKILLS

Python   C   Tensorflow   Docker   Linux

PERSONAL PROJECTS

Object detection (12/2019 - 02/2020)
- Detection of faces using the Tensorflow APIs implemented on Mobile and Edge devices

CERTIFICATIONS

DeepLearning.AI -Tensorflow Developer (03/2020 - 04/2020)

Deep learning on Kaggle (05/2020 - 05/2020)

Python Basics (07/2020 - 08/2020)
